CONCEPT NOTE OF REFRESHER COURSE

Training of Trainers (ToT) through interactive experiential learning is a crucial component of the MMTTP in enhancing the professional development of faculty members, aligning with the objectives outlined in the National Education Policy (NEP) 2020. This approach will ensure that trainers are not only equipped with theoretical knowledge but also gain practical insights and skills through hands-on experiences.

Refresher Course:

The Refresher course will be of two weeks duration, with a minimum of 12 working days and 72 contact hours (six hours a day, six days a week). MMTTC may conduct 5 Refresher Courses in a year (2 Residential and 3 online).

A. Eligibility Criteria:

- (i) Faculty members working in universities and colleges that are included under Section 11 2(f) of the UGC Act. The teachers of colleges that do not yet come within the purview of Section 2(f), but have been affiliated to a university for at least three years, will be permitted to participate in the courses. These conditions are applicable only for Residential Training Programmes/Courses.
- (ii) For the Refresher course, participation in the FIP is a prerequisite for admission. The teacher may opt for a refresher course after a one-year gap following FIP. For residential RCs, there should be a minimum gap of one year between two refresher courses, though it may be relaxed if an adequate number of participants are not available, or it is essential for the teacher to fulfill eligibility conditions for career advancement as prescribed by UGC from time-to-time.

B. Refresher course are to be conducted in:

- Core Subjects/Disciplines
- Multi-Disciplinary / Interdisciplinary/Transdisciplinary/Cross disciplinary Areas.

- #### C. Equivalence:
- Every Multi-Disciplinary /Interdisciplinary/Trans disciplinary/ Cross disciplinary course will be equivalent to the Refresher Course in subject/discipline for promotion under CAS.
